We adopted internationally. 27 months later we are still trying to get our family restored.

We are both professionals with Bachelor degrees. Active in our church and community. My husband has over seven years in his job. He is a Veteran honorably discharged after 2 enlistments. This is the thanks we get from our government.

We have no drug or alcohol use/addictions, no tobacco use, no arrests, no legitimate reasons for our family to be apart at all and certainly not for 27 months.
